

Graduate Certificate in Clinical Governance

UNDA Course Code 4107
Not available for International Students
2010

INTRODUCTION

The Graduate Certificate in Clinical Governance introduces students to methods and instruments that form the foundation for monitoring the quality of care delivery that ensures optimal patient/ client outcomes. As well, students will examine the leadership and organisational factors which are integral to the development of a strong clinical governance framework.

The units in this course have been structured to provide graduates with the knowledge to provide leadership for change in clinical governance and patient safety issues.

WHY STUDY AT NOTRE DAME?

It is envisaged the participants will develop and consolidate knowledge and skills in strengthening clinical governance frameworks and patient safety processes. This knowledge will be applicable to multiple settings within healthcare.

COURSE STRUCTURE

There are 4 units of study:

- Tools for Quality Improvement & Patient Safety
- Leadership development strategies
- Applied management strategies
- Organisational culture & management

Please note the course sequence and unit titles may be subject to change.

ADMISSION REQUIREMENTS

The course will be available to registered nurses who have a previous degree or who have accumulated a wealth of experience in nursing, but who do not have a degree. These nurses will be provided with additional support when embarking on the course.

MODE OF STUDY & ASSESSMENT

This course will be delivered via a virtual classroom environment. Students will need to have access to a computer with internet availability. Attendance at several face to face lectures will be available but not compulsory.

Students should discuss their study program with the course coordinator before commencing. The assessment of each unit is variable and may consist of tutorial presentations, case study, written assignments, projects and journals.

APPLICATION FOR ENROLMENT

Applications should be received at least one month prior to commencement. Please contact the Postgraduate Co-ordinator, School of Nursing on 9433 0249 for information related to the course.
