Some Useful Lists or Gateway Sites

Fulltext Law Journals Available on LEXIS

(A Listing Maintained by the University of Texas)

<http://www.lib.utexas.edu/Libs/PCL/refserv/databases/serials.html>

Law Journals: Index to Law Journals on the Web

(A Listing Maintained by the Washburn University School of Law)

<http://lawlib.wuacc.edu/washlaw/lawjournal/lawjournal.html>

The titles in this list are searchable by keyword and each title has a hypertext link to its own site. In spite of claims to be an index of journal titles available in full text, the list contains some titles available only as tables of contents or in abstract. The journals referred to are mostly in English and there is a heavy US emphasis.
